

2018/11/06 前瞻水環境-參訪安農溪與宜蘭河

Forward-Looking Water Environment

Visit Annong River and Yilan River Water environmental improvement project

為加強國內外推動水岸環境改善案件的經驗交流機會，經濟部水利署安排國內外相關領域專家學者，參訪宜蘭縣安農溪及宜蘭河環境改善工程案件，期藉由現地參訪舉辦，聽取各界不同的意見與建議，以供納入後續推動水環境改善工作設計參採，以擴大水環境改善案件效益。

In order to exchange the experience of water environmental plan, Water Resource Agency, MOEA arranges experts and scholars from Netherlands and Japan visit Annong River, Yilan and Yilan River Environmental improvement projects. Through the field trip to exchange various opinions and suggestions to promote the water environmental plan to improve the efficiency of the program in the future.
